Dear Mr. Gallacher:

Re: Update of Mine Reclamation Bond, Portland Cement Company of Utah, Little Mountain Mine, ACT/045/005, Tooele County, Utah

The Division issued final approval for the Little Mountain Mine on August 30, 1985. At that time a reclamation bond was posted for \$47,526 (1986 dollars) with the option to escalate annually or post the bond for a 5 or 10-year permit term.

The amount to update the bond to 1987 dollars is \$48,295.00 (escalated @ 1.62%). If you wish to post the bond for a longer term, the amounts are:

1988 - \$49,078	1991 - \$51,502	1994 - \$54,046
1989 - \$49,873	1992 - \$52,337	1995 - \$54,922
1990 - \$50,681	1993 - \$53,185	

Please provide an updated bond by September 1, 1986. If you have any questions, please call Pamela Grubaugh-Littig or myself at (801) 538-5340.
